

TROJANS CLUB

Trojans Club Membership - Year commencing 1st September 2011

Payment of the appropriate membership fee allows all members to participate in any or all sports. There may be a separate charge levied, or a subsidy paid, by individual sections. Correct fees can be confirmed by Section Membership Secretaries. Separate Court fees and Field Sport match fees are also payable.

Full Members: A member will register with a Section if he or she plays in a team. In the case of Squash, a member will register with the Squash Section if they play in a team, play in the ladders or whose main recreation is squash. Members who pay the non-playing rate will also register with a Section. This allows the member to vote at the Club AGM and attend, and vote, at the AGM of the Section or Sections to which they are registered. A Section may refuse a member registration to the Section if that member is not a bone-fide or active member of the particular Section.

Family Membership: A reduction of 10% in each rate of membership is applicable when there are 3+ members of the same family taking out **playing membership**. A separate form is to be completed for each member.

No discount will be given until all members have completed forms, paid membership in full and is received in the office. Junior forms should be completed for all members under 18 years of age.

Please complete all sections of the form and return with full payment to the Club office.

ANYONE UNDER 18 YEARS OF AGE NEEDS TO COMPLETE A JUNIOR FORM
