

# **TROJANS CLUB CODE OF CONDUCT**

APPENDIX TO THE CLUB REGULATIONS

JAN 1997

This code of conduct, approved by the General Committee as part of the Club Regulations, sets out general standards expected within the Club which will be enforceable by Club Officers and Staff. This may include exclusion from the premises and refusal of service at the bars. This code applies to all members, visitors and guests and is designed for the comfort of all members.

- 1 There is to be no access to the Club House to any person wearing unsuitable or dirty footwear.
- 2 Kitbags/sports equipment are to be left in the changing rooms, cars or other designated storage areas and are not to be brought into/left in the bars or reception areas. Members, visitors and guests remain responsible for all sports equipment whilst at the Club premise. The Club cannot accept any responsibility for any loss or damage however occurring.
- 3 Save in emergency, no external fire doors are to be opened and/or left open as this may create a security risk to the whole premises.
- 4 No children under 14 years are to enter the squash courts, fitness suite or their immediate surrounds unless accompanied and supervised by an adult.
- 5 Dogs are not encouraged at the Club but if a member deems it necessary to bring his or her dog to the Club it is to be kept on a lead and under strict control, both on the fields and within the Club premises. Dogs are not allowed in the Paris bar. Dogs must not be allowed to foul the pitches.
- 6 Parents/Guardians remain responsible for their children whilst the children are at the Club and, in particular, children are not to be left to wander around the Club House and should not enter bars unsupervised. Children must not run around the Club House and are encouraged to utilise the well area.
- 7 A reasonable and acceptable standard of dress and behaviour is expected at all times at the Club. By way of example -
  - Tops should be worn at all times in the reception/bar areas.
  - Players concluding sports should shower and change before entering bars.
  - There should be no excessive noise or abusive language.

The Paris Bar is designed for convivial socialising. Members and guests should be smartly dressed. There will be no admittance to persons in sport kit or to unsupervised children.
- 8 Cars are parked at the Club premises at their owners risk and the Club cannot be responsible for any damage to cars, vehicles or other personal items of members, guests or visitors, however caused. Members and guests are reminded to take account of the sporting activities around them.
- 9 The Club cannot be held responsible for any items of value left anywhere in the Club premises and, in particular, the changing rooms.
- 10 Access to and from the rugby playing areas is to be by the path constructed alongside the Hockey Astroturf pitch. Neither the hockey pitches nor the cricket square should be crossed.
